

LLSC Tuesday Night League 2026

The **individual weekly fee** is \$23.00 per Shooter. \$3.00/shooter is set aside for prize money which is awarded at the end of each season. Each team must have a minimum of 5 shooters per week (no more than 7 shooters per week). The prize money of \$3.00 must be paid for those who are not in attendance if there are less than 5 shooters. The "Ghost" score will be 15 for singles, 15 for Handicap to contribute to the overall team score. **Team fees** for 2026 are \$70.00 which cover administrative costs. This fee is due the first week of each season.

Individual Prizes- All Individual scores and averages will be displayed on the score sheet. Those who participate less than 7 times are not eligible to win prize money. The top 7 scores for Singles and Handicap will be combined and ranked to determine the Top Gun prize and will also create two tiers for individual prizes. If there is an odd number of individual shooters, the 2nd tier (Commons) will have the extra shooter. For example: 61 total individual shooters, 30 will be placed in tier one (Lords) and 31 will be placed in tier two (Commons). There will be 1st and 2nd place for 16's and 1st and 2nd place for Handicap awarded in each Tier. If raw scores are tied, the tie breaker is the 10 week overall percentage with the highest number. If there is still a tie, the prize money will be split. Individuals are only eligible for one prize. (For example - the Top Gun winner will also not receive the Top handicap or Top 16's etc) The order for prizes will be ranked in the following order: OA, HC 1st and 2nd place then 16's 1st and 2nd place.

Team Prizes- Raw Scores of 16's and Handicaps will be combined for determining the tier placement. The top teams will be ranked in tier one (Lords) and the lower scoring teams will be ranked in tier two (Commons). Weekly team scores will include the combined scores of the top 5 shooters from 16's and Handicap. In the event there are not five shooters, the paid ghost score(s) will be included. If there are 10 teams, the top five teams will be placed in the top tier (Lords) and ranked 1st, 2nd and 3rd. The rest will be placed in the second tier (Commons) and awarded 1st, 2nd and 3rd. In the case of an odd number of teams the 2nd tier will be the larger group. For example: if there were 11 teams, 5 teams would be placed in the top tier (Lords) and six teams would be placed in the bottom tier (Commons).

We want to ensure everyone participates only on Tuesdays. This is the most fair for all shooters due to weather changes etc.. However, we understand there can be extenuating circumstances. If you need to do makeup, you have until Sunday of that same week to complete it. Make-ups must be scheduled with Buddy Barker, the LLSC Club Manager based on availability with other club activities. The Club's phone number is 816-578-5376. We can not accommodate more than three make-ups per 10-week season due to various activities held at the club throughout the week. When a makeup shoot is completed, please text a picture of your score sheet to Christie Feild
